

Rules of functioning of the UL Student Dormitories in the academic year 2021/2022

1. Students/doctoral students are accommodated in double rooms, in case of not using all the places, it is possible to apply for a single room.
2. The use of the quiet study rooms and the laundry room shall be possible only after prior written notification at the reception.
3. Kitchens shall be made available in compliance with the rules of the sanitary regime.
4. In public areas (corridors, kitchens, laundries, quiet study rooms) the following still applies:
 - obligation to wear face masks in such a way so as to cover mouth and nose at the same time; face masks and disinfecting liquids are available at the reception,
 - obligation to disinfect hands (liquid dispensers are also located at the reception).
5. Contact via phone or e-mail with administration of a dormitory is preferable.
6. Following Announcements, Regulations and Rules posted on the website cos.uni.lodz.p and checking e-mail boxes in force at the UL is recommended. It is there that detailed announcements pertaining to individual UL student dormitories will be sent.
7. On the premises of the building there are instructions pertaining to:
 - hands hygiene, coughing and sneezing behaviour, keeping social distance
 - behaviour in the event of suspected infection.
8. In the event of suspicion of infection or detection of a virus in a resident or employee, the procedures will be coordinated in agreement with the Sanitary Inspectorate (Sanepid), including quarantine of the entire building or its part.

In order to minimize the risk of infection remember to:

1. Cover your mouth and nose in public areas (kitchen, corridors, laundry room, study rooms, elevator)
2. Get equipped with personal protection equipment (protective face masks, disposable gloves)
3. Dispose of used face masks in the waste containers intended for this purpose.
4. Remember to disinfect your hands.
5. Keep social distance.
6. Avoid close contact with ill people, especially those respiratory symptoms.
7. Comply with all the Instructions, Announcements and Regulations of the University Authorities.

Procedures to be followed in the event of disease symptoms, including suspected coronavirus infection, are described in Annex 3 to this Rector's Announcement.
